

## Overview

Naviance Student can help make the process of finding the right college just a little easier. Using Naviance Student's Find your Fit search tools, you can locate the schools that most fit with your interests, passions, and criteria. Once you've narrowed down a group of colleges, multiple tools are available to understand more about that school in general and as a prospect. This document is meant to help you understand how to search for, favorite, and research colleges of interest. Naviance Student provides two features to store college information:

- **Colleges I'm Thinking About:** This is a list of schools that you have *favorited* and identified as prospective schools of interest.
- **Colleges I'm Applying To:** This is a list of schools to which you have decided to apply. This can be populated from College's I'm Thinking About or directly from searches.

## Find Your Fit Tools

The first step of this process is figuring out what schools may be a good fit for you based on your interests. Naviance Student offers six (6) search tools – SuperMatch™, College Match, Scattergrams, Advanced College Search, and College Lookup.

### SuperMatch™

Use SuperMatch™ to receive a list of best-fit schools based on criteria that you deem as important in your college search. SuperMatch™ can be used to save searches and return to them later. To learn about the details of using SuperMatch™, please review the [SuperMatch Reference Guide](#).

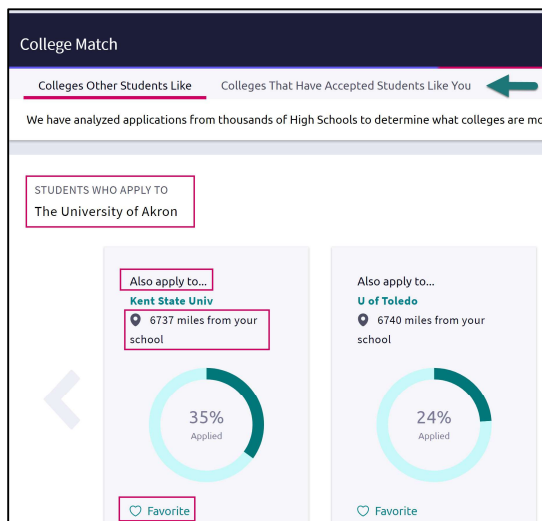

The screenshot displays the SuperMatch College Search interface. At the top, there's a navigation bar with 'Choose Fit Criteria' selected. Below this, the 'Your Fit Criteria' section shows 3 selected criteria. The 'Must Have' section includes Location [7], Major [1], and Campus Surroundings [3]. The 'Nice to Have' section is currently empty. The 'Your Results' section shows a list of institutions, with the University of Southern Maine highlighted. The highlighted institution shows a 100% Fit Score, Academic Match, and various details like GPA, SAT, ACT, Selectivity, App Fee, and Tuition & Fees. At the bottom, there is a search bar and a navigation bar with 'PINNED', 'THINKING ABOUT', and 'APPLYING TO' buttons.

1. **Choose Fit Criteria:** Use best fit criteria drop-downs such as Location and Academics to get matched with the schools that are the best fit for you.
2. **Pin to Compare:** Use the pin feature to keep an eye on schools you are interested in.
3. **Favorite:** Add schools to the colleges you are thinking about in Naviance Student.
4. **Compare:** Use the Pinned drop-down to Compare pinned schools based on factors important to you.
